CERTIFICATE

TO WHOM IT MAY CONCERN

It is to certify that Dhyan Foundation is a most revered spiritual and charitable organization which is actively engaged in the welfare and rehabilitation of the rescued cattle in the country. This organization has more than 30 Gaushalas in the country which are mostly into the rehabilitation of the cattle by way of providing shelter, fodder and medical care.

2. Dhyan Foundation has rendered immense help to the Border Security Force deployed on Indo- Bangladesh Border in term of rehabilitating rescued and seized cattle by the troops of BSF on the International-Boundary in West Bengal, Assam, Meghalaya and Tripura which would have been otherwise culled in Bangladesh. To rescue and seize cattle meant for smuggling to Bangladesh on the Border by the BSF is a regular phenomenon for which Dhyan Foundation is committed to rehabilitate despite heavy financial toll. In the welfare of the animals, Dhyan Foundation is rehabilitating those cattle seized by the BSF which are unproductive at their own cost.

3. In view of above, all Animal Welfare Organisations, Entrepreneurs and Philanthropists are exhorted upon to come forward in giving all possible assistance open heartedly to the Dhyan Foundation who has ventured into a very noble cause of rehabilitation of the cattle. Your contribution would be of immense value in the protection and rehabilitation of the rescued cattle which in turns shall be instrumental in maintaining the ecological balance.
